

# Herndon Magnet PTSA Volunteer List

We are updating our volunteer list in order to give everyone an opportunity to update their information. We strive to ensure each parent who wants to be involved is given the chance to work with their teachers, staff and PTSA. We also realize that occupational commitments of today make it hard sometimes, but even a small amount of help can make the difference. Although we have many volunteer needs, one of our largest needs is Hawk treats. Hawk treats are sold weekly. However, this is dependent upon having 6 volunteers per week to help with sales. Hawk treats will be sold every Friday from 11:15 AM - 3:15 PM. We will begin selling on Friday, August 17. By marking Hawk treats, we do not expect you to work every Friday. Please fill out your volunteer form and come help out. We are excited to be working with you this year.

Please check as many events as you would like to and are able to assist with. Please fill out the volunteer form completely to include your students name and homeroom. It is only with your support that Herndon PTSA can continue to lend the support we have in years past. You will enjoy all the smiles given you by our children.

**\*\*\*Reminder: If you do not fill out this form you will not be contacted to volunteer for events. Also, this list is separate from any that your children's teachers may ask you to fill out for help in the classroom.**
